**CAREER PROFILE**

Susi Marzuola came to Siegel & Strain in 2005 as a Senior Associate and became a partner in 2007. Prior to joining the firm, she was Senior Associate at Turnbull, Griffin, Haesloop, formerly William Turnbull Associates. Ms. Marzuola has designed and managed institutional projects including many independent schools through all phases of work from master planning, feasibility studies and securing approvals through design, construction documentation and construction administration.

She was Project Principal for the award winning Yountville Town Center, and the LEED Platinum Portola Valley Town Center. She is currently Project Principal for the design of a Center for Environmental Sciences at Bishop O’Dowd High School in Oakland, the master plan for Bayer Neighborhood Park & Gardens in Santa Rosa and she is working on the Wilshire Boulevard Temple Camps master plan in Santa Monica, CA.

Ms. Marzuola has extensive experience in developing and managing participatory community processes. Since Susi is bilingual, she had the opportunity conduct workshops in both Spanish and English in San Jose for the Hoffman Via Monte Neighborhood Center and in Santa Rosa for Bayer Park & Gardens/Community Center projects. She also developed and oversaw the community outreach programs for Portola Valley Town Center and Yountville Town Center and Library projects. She was a key consultant in the community processes for the Haleiwa Town Plan in Hawaii and the Santa Cruz Recovery Plan following the 1989 Loma Prieta earthquake.

Ms. Marzuola has taught architectural design in the Department of Architecture at the University of California Berkeley. She has also been active in community service for City of Berkeley, Berkeley Public Schools, Habitat for Humanity, and the Center for Early Intervention on Deafness. She is currently serving on the Berkeley Unified School District Citizen’s Bond Oversight Committee.

**EDUCATION**
